Dear

I am sure you have heard of Victoria's devastating fires last weekend leaving up to 200 dead, more than 750 homes destroyed , 5000 homeless and thousands of animals dead.

Hearing this devastating news, We , seven main organizations in Vietnamese community, have joined efforts to organize a Charity Dinner raising funds for the Red Cross Bush Fire Appeal.

Australia has greatly helped the Vietnamese community over the past few decades, beginning with Vietnam War Effort and then opening its arms to accept thousands of refugees who fled from Communism in the 1970s and 80s. We owe a lot to the Australian community and believe that it is our duty to give back to the country which gave us so much. With so many fellow Australians needing our help we would like to take this opportunity to gather the community together and help those in need.

We are expecting 400 guests to arrive and we believe your attendance and support would inspire and encourage people to make further donations. We understand that your schedule is very busy and asking your attendance to an event in only a little over a week's time is very short notice. However we believe that holding the fundraiser as early as possible will increase the amount of donations people will give.

Details of the Charity Fundraiser are as follow:
